APPLICATION PROCESS

ELIGIBILITY

To be eligible for admission to the DBA program, applicants must meet the following requirements:

- **Master's Degree:** From a recognized institution in business, management, or a related field.
- **Professional Experience:** Minimum 2 years of leadership or managerial experience (preferred).
- **Official Transcripts:** Academic records from all prior undergraduate and graduate institutions.

ADD Dr. TO YOUR TITLE

FREQUENTLY ASKED QUESTIONS

1. What is the duration of the program?

The program spans three years.

2. What is the mode of delivery?

The program is delivered in a hybrid format, combining online modules, live faculty sessions, and in-person symposia.

3. What is the schedule like for working professionals?

The learning schedule for working professionals includes two live sessions per module, conducted on Fridays and Saturdays. The first session takes place at the beginning of the module, while the second is held at the end. All remaining sessions are recorded.

4. How is the thesis supervised?

Each student receives one-on-one thesis supervision from experienced faculty members.

5. What is the total number of credits for the program?

The DBA program consists of 65 US credits across coursework, research, and dissertation components.

6. Is there an option to extend the program if needed?

Yes, students may request an extension if they require additional time to complete their dissertation.

7. Can I transfer credits from another doctoral program?

Credit transfer is assessed on a case-to-case basis and is subject to approval by the academic committee.

8. What are the eligibility criteria for admission?

- A Master's Degree from a recognized institution in business, management, or a related field.
- At least two years of leadership or managerial experience (preferred).
- Submission of official transcripts from prior undergraduate and graduate institutions.

9. Are there installment payment options available for tuition?

Yes, tuition fees can be paid in flexible installments throughout the program.

10. Do I need to take an English proficiency test or submit GMAT/GRE scores?

Scores for GMAT/GRE or English proficiency are not mandatory but can improve your chances of securing a place in the DBA cohort.
